

TSCO & TPD OFFICERS RELATED SHOOTING

6-9-17, **Tulsa, OK** : This morning in Tulsa an officer involved shooting resulted in the death of a possibly mentally ill man. Details are still forthcoming and a thorough investigation must be completed. That investigation should include a blood test of the officer(s) involved. Most employers require tests after an incident occurs on the job and our law enforcement departments should do the same. We also believe that this investigation should be completed by the state and not local law enforcement. We're calling on the Chief of Police and the Mayor to request the OSBI to investigate this shooting.

"WE THE PEOPLE OKLAHOMA" will continue to push for transparency and accountability from our public officials. We will continue to work on behalf of the citizens of the great state of Oklahoma because when concerned citizens make their voices heard positive changes are made.
